

Rush's Music

April 28, 2010

Dear Director,

Rush's Music, Yamaha and Halls High School would like to give you the opportunity to improve your Drumline.

Yamaha Sounds of Summer is a marching percussion camp that will prepare your drummers for the next marching season.

This year's camp will feature [Jim Yakas](#).

Included is: **Director and Student Registration Forms. Map to the camp. Letter to Campers.**

Please take the time to fill out a Director Registration if you have students attending. Your rating of these students' abilities helps us to teach them better. Students are expected to bring their own instruments, except for Front Ensemble/Pit. Please let the camp director know if you need an instrument provided for a Front Ensemble/Pit student.

Thanks for allowing us to help your band improve!
Feel free to contact us with any questions!
